ACTION PLAN

# Complete App

Booking App plan

The full system with in-app payments and growth tools.

**$8,000**
one-time

### WHO IT'S FOR

Growing operators that want customers to pay inside the app and want tools to win repeat and referred bookings.

### WHAT YOU GET

The full system: customer app, driver app and admin panel with in-app payments, promo and referral codes, deeper reports and three months of support after launch.

## What's included

| Deliverable | What it means |
|---|---|
| **Everything in Business App** | Customer app, driver app, admin panel, tracking and company accounts. |
| **In-app payments** | Card, QR and e-wallet payments through a payment gateway available in your country. |
| **Promo and referral codes** | Discount codes and rewards for customers who bring friends. |
| **Reports** | Revenue, trips, top routes and repeat customers by period. |
| **3 months of support** | Bug fixes, small changes and Android and iOS updates for three months after launch. |

## Step-by-step timeline

- **Weeks 1–9** — Business App scope.
- **Weeks 10–11** — Payment gateway set-up and testing, promo and referral codes, reports.
- **Week 12** — End-to-end testing with real payments, your review, App Store and Google Play release.
- **Months 1–3 after launch** — Support period: fixes, small changes and update releases.

## What we need from you

- Google Play and Apple developer accounts in your company name ($25 one-time and $99 per year; we guide you through both)
- Your logo, brand colours and real photos of your vehicles, team or work
- Your services, rates, surcharges and the areas you cover
- The phone, WhatsApp and email address bookings should go to
- One person who can test the app and approve each milestone within 48 hours

## Reporting

Weekly test builds during the project, then a monthly support summary for three months after launch.

## How we measure success

| | | |
|---|---|---|
| **Customers can pay inside the app with the methods you choose** | **Promo and referral codes tracked in the admin panel** | **No open critical bugs during the support period** |

## Price and terms

$8,000 one-time. 40% to start, 30% when you approve the test version, 30% when the apps are live. Payment gateway fees, App store fees (Google Play $25, Apple $99 per year), map usage and hosting are paid from your own accounts.

Timelines start once we have your content, rates and account access. App Store and Google Play review times are set by Apple and Google and are added on top. You own the app, the source code and all accounts it runs on.
