Web Design plan

A clean, fast site to get a small business online.

$299
one-time

WHO IT'S FOR

Sole traders and small local businesses that need a clean, fast website to appear professional and get their first enquiries from Google.

WHAT YOU GET

A live 5-page website that loads fast on phones, explains your services clearly and makes it easy to call, WhatsApp or send a form.

What's included

Deliverable	What it means
Up to 5 pages	Typically Home, Services, About, Gallery or Projects, and Contact.
Mobile-first design	Built for phones first, then tablets and desktops; tested on real screen sizes.
Basic on-page SEO	Unique page titles, meta descriptions, headings and image alt text for every page.
Contact form and WhatsApp button	Enquiries go straight to your email and WhatsApp.
Google Analytics 4 and Search Console	Set up, verified and connected so you can see visitors and Google performance.
1 round of revisions	One full round of changes to design and text before launch.

Step-by-step timeline

- **Day 1** — Kick-off call or WhatsApp chat, collect content and access.
- **Days 2–3** — Page plan and first design of the home page for your approval.
- **Days 4–5** — Build the remaining pages and add your content.
- **Day 6** — Your review and one round of revisions.

Day 7	Launch, connect Analytics and Search Console, submit the sitemap, handover.

What we need from you

- Your logo, brand colours and any photos you'd like to use
- A list of your services and the areas you cover
- Domain login (or we can help you buy one) and hosting preference
- Any websites you like the look of, and any you don't
- One person who can approve the design and text

Reporting

At launch you receive a short handover note: page list, logins, how to see your visitors in Analytics, and how to request changes.

How we measure success

Site live within 7 days of receiving content	**All pages pass Google's mobile-friendly layout check**	**Enquiry form and WhatsApp button tested and working**

Price and terms

$299 one-time. 50% to start, 50% at launch. Hosting and domain are not included; we can recommend affordable options.

We never promise specific rankings or a #1 position: Google decides rankings. We commit to the work above, honest reporting from your own Google accounts and white-hat methods only.
